

DASH™

Dashi Mg Power Chair

The ultimate in lightweight,
folding power chairs.
Compact and airline friendly.

SUPER LIGHTWEIGHT

The magnesium frame results in one of the lightest chairs on the market with a weight of just 17kg, including the battery.

MANUAL FREEWHEEL LEVERS

Manual freewheel levers on each motor enable you to disable the drive system in order to manoeuvre the chair manually.

ATTENDANT CONTROL

The attendant control option allows an attendant or caregiver to control the powerchair with ease.
